

HFA College Building is coming soon!

Holy Family Academy started an exciting new journey last year when it partnered with St. Thomas University in Miami to offer students a path to earning a college degree while remaining on the island. The students who participated in the program last year will continue studying full-time toward their college degree.

Our next goal for these students is to give them a dedicated place to study by extending our campus with a new building on the church grounds. We are only able to achieve this goal through the grace of God and through your continued generosity. A donation to help in the college building construction is not only an investment in their future but an investment in the continued growth of these beautiful islands.

We thank you in advance for your support, and God bless.

Fr. Orlando González.

In Today's Gospel Jesus gives a warning to all as there are times when you look at those around you and get scandalized by their behaviour, which is often something trivial. I remember when I was young my parents and Aunts would always say, "Wash your Hands." This was just before eating or just after using the Toilet. We can all get fixated with the trivial things and miss the much deeper things about other people. And why do you do that? That's the question to ask yourself. Jesus tells you, that the problem is the heart. Your heart is full of flaws and sins and that's why you look at others instead of yourself. It's easier to do that.

I think it's important to realize what you have in your heart and how wayward are our hearts. They are full of garbage. Jesus list them and all of us have them, in some way or other. In the Gospel of Luke (11:42) Jesus says, "Give alms from what you have and Look, everything will be clean for you."

Almsgiving can cleanse the heart. Perhaps you don't think you are that bad. Well, are you impatient, always on the move, calculating how much time you have to fit everything in? Well this is a sign you love money, because, "Time is money." If you worry about time and fitting everything in you are not relying on the Lord. Let us all pray for the gift of trusting in the Lord who is the best Father of all.
